An Artisan Winery

We are longtime fans of Israel's Recanati Winery, which offers very fine, highly rated reserve selections as well as several satisfying simpler table wines. The Recanati Winery was founded in 2000 by a group of wine lovers led by Lenny Recanati. Their goal was to create a new winery for the production of quality Israeli wines at reasonable consumer prices.

Two of our favorites are Yasmin white and Yasmin red; both appealing selections to keep on hand because they are terrific table wines at value prices. Added to our suggestions are several mid–priced exceptional wines as well as a few in the luxury category. What better time for a wine splurge than at the Seder table? Whichever of these kosher for Passover wines you choose, we hope that you sip your four glasses surrounded by family and friends.
